Customer assumes responsibility for verifying availability of funds at the time of the funds transfer order. If Account is overdrawn, Customer agrees to immediately pay Us the overdrawn amount together with any applicable fees as stated in the Business Account Service Fee Summary. If the Account is maintained in connection with a Sweep Agreement with a Spring Bank Line of Credit, any overdraft will be made in accordance with the agreement or rules governing that Sweep Agreement rather than this Agreement.

If the Bank rejects a wire payment instruction, the Bank shall use reasonable efforts to notify you through Bank email or by telephone no later than the business day on which such wire payment instruction would otherwise be executed by the Bank.

You agree that the Bank may rely on the routing or identifying number provided by you for the intermediary bank or the beneficiary's bank, even if it identifies a bank different from the bank identified in the wire payment instruction. The Bank has no duty to detect any such inconsistency in identification.

You agree that the Bank may rely on the Account number provided by you and the Bank is under no obligation to confirm that the name of the Account to which funds are transferred, conforms to the name given in the wire payment instruction.

The Customer is responsible for full routing instructions. The Customer agrees that in executing any Payment Order the Bank may make use of correspondents, agents, sub-agents, funds transfer and communications systems. The Customer agrees that if a Payment Order does not designate an intermediary bank where appropriate, the Bank will select an intermediary bank on behalf of the Customer and the Customer agrees that the Bank shall have no liability with respect to such selection. To the full extent permitted by law, correspondents, agents, sub-agents, systems or intermediary banks shall be

deemed to be agents of the Customer and the Bank shall not be under any liability for any errors, negligence, suspension or default of any of them, all such risks being borne by the Customer.

The Bank is under no obligation to cancel or amend a wire payment instruction after it has been transmitted to the Bank. However, the Bank shall use reasonable efforts to act on a request by you for cancellation of a wire payment instruction prior to the Bank's execution of the instruction, but the Bank shall have no liability if such cancellation is not affected.

All wire payments submitted before 3 p.m. CST, Monday through Friday (excluding federal holidays), will be processed on that day. Wire payments submitted after 3.00 p.m. CST on a Banking day will be processed on the next business day.

11. Stop Payment

A stop payment order must be received by Spring Bank at such time and in such a manner that Spring Bank has a reasonable opportunity to act on it prior to the earlier of the payment of the check, draft or other payment mechanism (e.g. "ACH") by Spring Bank or the cutoff hour established by Spring Bank for receipt of such requests, if any. Use of this stop payment request form by a Customer and receipt of same by Spring Bank (whether received electronically or otherwise) constitutes Your agreement to all of the terms and conditions contained herein and authorize Spring Bank to initiate the stop payment. Stop payment orders received after regular banking hours on Monday through Friday or on Saturdays, Sundays, federal holidays, or Spring Bank's established cutoff times may be considered received and will be processed on the next banking day.

SPRING BANK IS NOT BOUND BY A STOP PAYMENT REQUEST AFTER SIX (6) MONTHS FROM THE DATE OF SUCH ORDER UNLESS SUCH ORDER IS RENEWED FOR AN ADDITIONAL SIX (6) MONTHS.

You understand that stopping payment on a check does not relieve you or any other signer of such check from liability on the check to a person who has taken such check for value, in good faith and without notice of any defense or claim that you or any other signer of the check may have on the check. If more than one signer is required on such check, Spring Bank is authorized to accept any stop payment order from any of such signers.

You agree to pay the stop payment fees identified in Spring Bank's current Business Account Service Fee Summary, as amended from time to time, and authorize Spring Bank to deduct any such fees from any account you maintain with Spring Bank.

You understand the need for absolute accuracy in describing the check upon which stop payment is requested. **IF ANY INFORMATION DESCRIBING THE CHECK IS NOT ACCURATE, SPRING BANK MAY NOT FIND THE CHECK OR INITIATE THE STOP PAYMENT ORDER.** Spring Bank shall not be liable for failing to stop payment on a check or for stopping payment on the wrong check if the information regarding the check is not completely and accurately described and provided to Spring Bank.

You agree to indemnify and hold harmless Spring Bank against any loss, cost, claim, expense, damage or liability (including reasonable attorneys' fees) Spring Bank may sustain for stopping payment on any check described herein in accordance with any stop payment order received by Spring Bank.

You agree to notify Spring Bank promptly of the issuance, check number and date of a duplicate check or the return of the original check.

You agree to notify Spring Bank in writing if you wish to release the stop payment. You may contact Spring Bank in person or in writing at the following address:

Under no circumstances shall Spring Bank be responsible for any liability, loss or damage resulting from any delay in performance of or failure to perform in connection with any Service which is caused by interruption of telephone, facsimile or communication facilities, delay in transportation, equipment breakdown or mechanical malfunction, electrical, power or computer failure, accidents, fire, flood, explosion, theft, natural disaster or other catastrophe, acts or failure to act by You or any third party, strikes or lockouts, emergency conditions, riots, war, acts of government or other circumstances which are unavoidable beyond Our control. Spring Bank shall not be liable for failure to perform any of its obligations in connection with any Online Banking Service if such performance would result in it being in breach of any law, regulation or requirement of any government authority.
