

Growing Spring Bank Announces Move to Larger Location; Continues to Outperform Peer Banks

Brookfield, WI, January 7, 2013 – Spring Bank announced today it has signed a ten year lease for a new, expanded location at 16620 W. Bluemound Rd., Brookfield, WI. The move, expected to be completed by March 31st, increases the bank’s space from 4,500 to 7,500 square-feet and provides street-side exposure along Brookfield’s busiest roadway.

“Since we opened in 2008, Spring Bank has continued to grow faster than anticipated. Our success is, and always will be, tied to the success of our clients and our community,” said David Schuelke, bank president and CEO. “Our move to larger, more conveniently located space and our successful 2012 capital campaign that increased our capital by nearly 30 percent solidly positions us to meet the business and personal banking needs of our current and future customers.”

Spring Bank has consistently outperformed peer banks across the country in a number of areas and exceeded all of its growth targets. The bank has been profitable each of the past three years which is a rare feat for a de novo bank. The trend of increasing profits also adds to the financial strength that Spring Bank uses to support local business.

During the past four years, Spring Bank has issued nearly \$250,000,000 in loan commitments to fund lines of credit, equipment purchases, commercial real estate and real estate development. That includes a 28 percent increase in loan balances in 2012.

“We’ve also expanded our team of professionals,” noted Schuelke. “In the past four years, we have grown to 18 employees with over 275 years of banking experience. These additions represent another indication of our commitment to providing our customers with the individual attention they deserve. We look forward to a long and lasting relationship with our customers and community in our new Brookfield location.”

Spring Bank is leasing its new office space from Cornicione Development, LLC. Tim Janusz and Scott Satula of NAI MLG Commercial represented Spring Bank.
