

## Spring Bank's online banking site has been updated and improved for a more user friendly, enhanced experience!

### New and updated features include:

- ❖ **Updated login** - Username (formerly access ID) and password are now on the same page!
- ❖ **Security Challenge** – Security question and passcode options are on the same page, resulting in few user clicks!
- ❖ **Enhanced Navigation** – Our redesigned home page focuses attention on the actions that users most often perform, including:
  - ❖ Accounts and balances automatically listed;
  - ❖ Click on an account number to access additional information including the ability to search and categorize transactions, obtain statements and notices;
  - ❖ Access to recent transactions;
  - ❖ Transfer options;
  - ❖ Easy access to Bill Pay.
- ❖ **Ability to Stop Payments.**
